## Double cabin

*ultimate solution for work and leisure*

By fitting a second seat row with an integrated partition wall it is possible to convert your closed panel van into a double cabin at all times. The perfect solution for the combined transport of people and material.

### **Safe, comfortable and efficient.**

Obviously the double cabin applies to the highest European safety standards. All seats are provided with 3-Point inertia-reel safety belts and tiltable and in height adjustable head restraints.

The separation wall is designed to meet the BS/ISO 27956 standard for load shifting protection.

Also the design plays an important role when developing a double cabin. The fine designed partition wall separates load and passenger compartment completely.

# Snoeks double cabins

core values

## Design

We want end users to experience vehicles with our modifications as if the end result was built in its entirety by the factory. Snoeks products are fully aligned with the design of the vehicle. The structure and colour of materials applied, such as fabrics and plastic parts, perfectly match with those originally used.

## Safety

Snoeks ensures all products meet the latest legislation for Light Commercial Vehicles. All our seats are equipped with tested and approved 3-point seat belts and adjustable headrests. Our partition walls offer occupants certified protection against shifting cargo.

## Comfort

Snoeks has decades of experience in developing and constructing car seats where quality, safety, design and seating comfort maximize the comfort experience of consumers. These ergonomic car seats adequately support the occupants' body. With many optional features like ISOFIX, arm rests and sliding seats you can further increase your comfort.

## Functionality

The double cabin is the optimal and attractive combination for the efficient transport of both persons and cargo. Unique is the loading space created under the rear seats which can be utilized for transporting "longer" cargo. To further enhance the functionality Snoeks offers options such as convenient storage pockets, USB ports and LED spots.

## Fitability

Snoeks modifications are designed for a specific car model and are therefore fully compatible. We aim to match the high finishing level of the car manufacturer. We attach our products as much as possible to connection points already available in the vehicle. All these efforts enable us to modify vehicles with a minimum of work hours needed.

## Double cabin

*essentia*

With the Essentia double cabin, safety and functionality come first. This double cabin can accommodate up to six people while still providing a cargo area in which you easily transport all the necessary materials and tools needed for a six crew project.

All seating positions are equipped with European approved 3-Point inertia-reel safety belts. The 3-seater contoured bench is covered with cloth as the front seats.

The combination of a comfortable 3-seater bench and durable materials make the double cabin ready for intensive use.

- 1) *Head restraints adjustable in height and tilting*
- 2) *3-Point inertia-reel safety belt on all seats*
- 3) *Step-in cover plastic, black*
- 4) *Additional load space under the bulkhead*
- 5) *Tooled ABS-plastic headlining, covered in cloth*

## Double cabin

*edition*

Comfort and functionality can be mentioned in one breath when describing the Edition variant. Up to six persons can travel safely and comfortable with the 3-seater bench. The foldable bench seats with arm rests allow you to also store items underneath the seats.

With the combination of a comfortable 3-seater bench and sustainable materials your double cabin is ready for intensive use.

1) 3-Seater bench with two folding seats

2) ISOFIX on outer seats

3) 12V connection in bench cover

4) Step-in cover plastic, black

5) Tooled ABS-plastic headlining, covered in cloth

## Double cabin

*sportive*

The Sportive variant is designed for those who sets high demands on their double cabin. The 3 individually adjustable seats with armrests create the maximum comfort and with the 12V adapter in the bench frame you effortlessly charge mobile devices.

The fine and luxurious finishing of the double cabin perfectly fits with the original design of the vehicle. It makes you almost forget that it is a commercial vehicle.

The Sportive double cabin is often used by self-employed who strive for the best for both work and leisure.

- 1) 3 adjustable seats with two armrests
- 2) 12V connection in bench cover
- 3) Storage pockets in side cover
- 4) Roll-up sun blinds left and right
- 5) Two speakers in headlining
